Coronavirus Update

The Government has issued the following advice regarding the Coronavirus and general good hygiene.

The poster is framed in blue and contains the following text:

HM Government **NHS**

CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.
To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.

Tree Octopus!

If your child has mentioned the plight of the Tree Octopus that is because I showed the children a hoax website, during Thursday's assembly, to demonstrate that not all things on the internet are true. If you Google Tree Octopus, you will find a very convincing site about this imaginary animal.

Prayer Space – Using the Internet

Dear God,

We thank you for the amazing advances in technology in recent years.

Thank you for the wonderful resource of the Internet.

We ask that you help us to use it wisely - to broaden our minds, not to harm others.

Amen.

This week's celebration assembly...

We have ended this half term on a high, so much to celebrate. Well done children.
We are really proud of you!

And Finally...

I would like to offer my congratulations to Miss Cawley on the birth of her first child. Miss Cawley gave birth to a baby boy, 8lb 2oz. I would like to wish her, her partner and their little boy every happiness for the future.

Mr Hayward
