### Maths Adventure Day - Tuesday 23<sup>rd</sup> March

On Tuesday, the children are in for a treat as they will be taking part in an exciting Maths Adventure session. Children in Years 2 - 6 will be welcoming a visiting maths company and taking part in an adventure session with their class. Their adventure is called 'THE DARK CODES', and children will be working in teams, solving mathematical problems and puzzles in order to find the codes that will 'save the Earth'! This will of course be within our class 'bubbles' according to COVID-safe practices. Children in Reception and Year 1 will be having their own maths adventure session with their class teachers too. Your child's teacher will share some photographs with you on ClassDojo next week. A big thank you goes out to STAA, our school PTA, who have helped us to fund a lovely experience for the children.

### Parent and Carer Consultation Telephone Meetings

Thank you to the parents and carers who booked parent/teacher consultations. Your child's teacher will send out an invitation via ClassDojo. The booking form is now closed. Only bookings made before 11.00am on Friday 19<sup>th</sup> March will have been received.
