### School places for September 2023

I am aware that a number of families have yet to apply online for school places for September 2023. If you know of family or friends who have yet to apply, the closing date for applications is Sunday 15<sup>th</sup> January 2023. Thank you.

### PE and Jewellery

Mid-Trent MAT has a policy that jewellery should not be worn by children during PE. This includes earrings, necklaces, rings and bracelets. Could I ask that parents and carers remove jewellery, particularly, earrings before the children come to school. The school does not take responsibility for lost or broken jewellery.

### Smart Watches

It has come to my attention that some children are wearing smart watches to school. Any watch or device that has the capability to record images or connect to the internet is not allowed in school. From Monday, please ensure your child does not bring any such device into school. Any watch that has recording capability will be confiscated and returned to parents at the end of the day. As above, the school will not take responsibility for lost or broken watches.

### CHILL – Before and After School Wrap-Around-Care

Online booking forms are available on the school website. Please make all bookings by 1pm on Friday the week before and ensure payment has been made in **advance** via ParentPay or childcare vouchers activated. To make a booking click on the link below.

### Prayer Space

Lord,

Thank you for giving us the power to learn. Through learning, we begin to understand the wonders of this beautiful world you created. As our understanding grows, we begin to realise how sophisticated and clever the world is. Great minds and determined people are steadily learning how things work to make the lives of your people better. Lord, please guide our learning so we too can add to the great mastery of knowledge.

Amen.

### And finally...

A short week this week and so we will be letting you know what's been happening in school from next week. It was lovely to see the children arrive back at school on Wednesday. They appeared very settled and happy to see their friends. They enjoyed the start of the term with a science experiments assembly all about gases and the way they behave.

Mr Hayward.
